An Administration as Good as the Students and Faculty

- Lee Wilcox: chair, Council on Student Affairs, NASULGC
- Patty Bartlett: chair, Council on Governmental Affairs, NASULGC
- Rob Clark: vice chair, Association of College and University Auditors
- Jilda Garton: chair, Technology Transfer and Research Ethics Committee, COGR
- Hal Irvin: National Management Achievement Award, NACUBO

New Strategic Plan

- Many of the goals from the prior plan have been achieved.
- Circumstances have changed.
- The campaign provided resources to lift GT to the next level; now we need a plan to get us there.
- We are entering a new era of accountability.

An Exciting New Year
